MEMORANDUM FOR: Mr. Richard Lehman  
SUBJECT : *Time* Magazine Visit

Hugh Sidey called yesterday. He had been talking to John Elson in New York last week. Elson gave the impression that things were moving along with respect to the *Time* magazine group's visit here. He gave the impression that the original parties involved were making the arrangements.

I said I did not know precisely but assumed this was the case and this seemed proper to me.

I assume everything is on the track for these people's eventual visit here.

Hugh Sidey is quite relaxed about other people doing the work involved and is quite in favor of it.
